

Cape Elizabeth Fire Department Policy & Procedure Manual

Policy:	Hydrants		
Section:	7.400: Public Education, Safety & Prevention		
Policy #	7.408	Date Effective:	01-01-2006

At no time will a fire hydrant be used for any purpose other than fire suppression or training without the prior consent of the Portland Water District. No department equipment shall be used other than for fire suppression or training. For example the department will not fill pools and or ponds using PWD hydrants of CEFD equipment.
