

Cape Elizabeth Fire Department Policy & Procedure Manual

Policy: Fire-Police Activations

Section: 7.800: Communications

Policy # 7.828

Date Effective: 07-01-2009

The Fire-Police Unit provides traffic control and scene security at emergency scenes to free up police officers. The Fire-Police unit routinely responds to all emergency calls.

The Police Department may special call the Fire-Police unit for traffic control assignments.

When dispatching a Fire-Police response utilize the following formats:

Cape Elizabeth Fire Department

Transmitting a special call for the Fire-Police

“Location” (include name of location & address).

Type of response

KNCY 896 & Time in Military Hours

The Fire-Police may also be utilized for traffic control situations in Scarborough and South Portland.
